THE GOODBUSINESSDAY® COMPANY

Use the Industry-Standard Calendar Designed for Forward FX and Derivatives Markets.

Use the industry standard!

Goodbusiness Day Finder® (formerly Euromarket Day Finder®) is the only financial calendar specifically designed for forward FX and derivatives markets.

Goodbusiness Day Finder® indicates day counts, value dates and holidays affecting currencies and financial centers in a year-forward presentation. It is relied upon by financial professionals around the world.

- Indicates good business days at a glance
- Adheres to 'modified following' protocol and accepted standards of international financial markets
- Indicates holidays affecting major currencies and financial centers
- Includes 30-year Swaps/mid-term table
- Provides instant value dates, day counts and more
